### INSTALLATION

To install the UNVM-125, locate a wall stud nearest to the location you would like your device mounted. Line up the two center mounting holes with the wall stud, and using a pencil, trace all four hole points. Using a 3/16" drill bit, drill a hole at each point traced. Insert the provided plastic wall anchors in the pre-drilled holes, and secure the UNVM-125 to the mounting surface using the 1-1/4" black screws.
