DESCRIPTION

The Apple Mac Mini M4 Mount from Oe veo is designed for securely mounting the latest Mac Mini M4 (2024) in a variety of configurations, including under desk, on the wall, or VESA mounting the bracket to the back of your monitor. Whether you need a clean workspace or a discreet setup behind a monitor, this Mac Mini mount provides versatility and sleek design that complements Apple’s silver & black aesthetics. For those looking to maximize desk space, this under desk mount for Mac Mini offers a sleek and practical solution, keeping your device securely stored while maintaining easy access to ports and connections. By mounting your Mac Mini M4 under your desk, you create a clean, clutter-free workspace without compromising functionality or style. This setup is perfect for home offices, creative workstations, and professional environments where efficiency and aesthetics go hand in hand.

HOLE SPECIFICATIONS
