DESCRIPTION

Your monitor needs to be elevated. The Rise Metal Monitor Stand helps free up and optimize valuable desktop space. By raising your screen with a monitor stand or monitor mount, you adjust your workspace to the correct ergonomic height. A clean, organized desk results in focused work and an increase in productivity. The 15-inch-wide base allows you to place a laptop, keyboard, mouse, files, or other everyday office essentials below the monitor stand. The monitor riser also features a cable management slot to fit and organize any-and-all cords. The sleek, rounded design looks great in any application, allowing you to not only hold your monitor but also a laptop, printer, desktop computer, TV, gaming console, or other device. The Rise Monitor Stand is the perfect addition to any home desk, office, or workspace.

INSTRUCTIONS

Unbox your Metal Monitor Stand, place your monitor on your Metal Monitor Stand, and enjoy your new setup!
